GOLDEN HILL MATTRESS

HEIGHT: **36 CM**

COMFORT : **VERY SOFT**

SUPPORT : **FIRM**

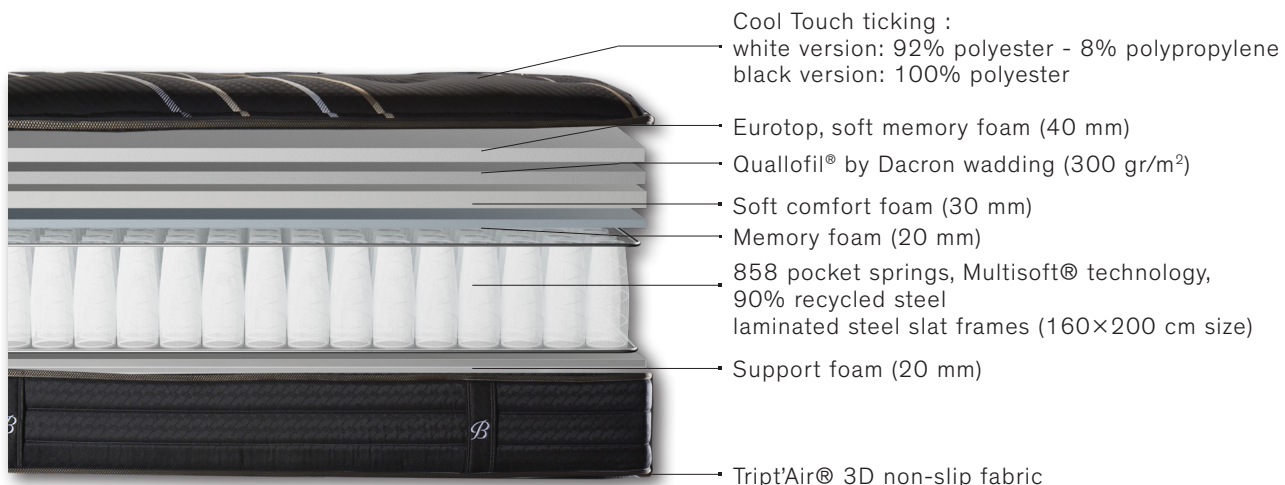

+ EXCEPTIONAL COMFORT:

Design, elegant and ultra-technological, the BEAUTYREST BLACK collection contains the quintessence of Simmons innovations to give you an unmatched night's sleep. The GOLDEN HILL mattress, with its ultra-soft comfort, will envelop you comfortably for restful nights and dynamic awakenings.

Enjoy the quality of engineered Simmons® pocket springs	Creator, inventor and specialist of pocket springs since 1929, Simmons® manufactures and develops its own pocket springs in factory in Saint-Amand-Les-Eaux in France. 100% French manufacturing and know-how.
MULTISOFT® technology # Twice the support # Comfort that unfolds in two stages for greater convenience	Increased support and softer comfort. All the sensations of comfort are brought together to offer you a true sleep experience. The spring unfolds in two stages, giving you a pleasant sensation of lightness. Your spine is perfectly supported thanks to the second function of the spring, and your body rests on a veritable sheet of softness.
No need to flip your mattress!	The No Flip® system provides you with stable comfort all year round! No need to turn your mattress.
A feeling of weightlessness	Memory foam adapts to the curves of your body, enveloping you gently.
Refreshes the body at an ideal temperature	The temperature-controlling properties of Quallofil® cotton by Dacron® combined with the Cool Touch ticking material, provide ideal temperature for the body throughout the night.
Lasting comfort	The tufting (entirely done by hand) keeps the materials in the perfect position.
6 vertical embroidered handles	Easy to set up

+ RECOMMENDED BED BASE:

We recommend that you replace your bed base at the same time as your mattress.
The GOLDEN HILL mattress is recommended with a 22 cm high pocket spring bed base.

Available (on option) in 100% organic GOTS (Global Organic Textile Standard) certified cotton ticking.
This option changes the aesthetics of the product and will slightly tighten the comfort.
