FABRIQUÉ EN FRANCE

+ THE WELL-BEING MATTRESS:

Designed in collaboration with health care professionals, the FEELING + mattress is ideal for all those who dream of restorative healthy nights.

Enjoy the quality of engineered Simmons® pocket springs	Creator, inventor and specialist of pocket springs since 1929, Simmons® manufactures and develops its own pocket springs in factory in Saint-Amand-Les-Eaux in France. 100% French manufacturing and know-how.
Perfect muscle relaxation, your back is protected	Designed in collaboration with the FFMKR (French Federation of Rehabilitation Physiotherapists) , the Sensoft Evolution® pocket springs support your spine and help your muscles relax. The No Flip® system provides you with stable comfort all year round! No need to turn your mattress.
Healthy by nature	The anti-bacterial and mite-proof properties of Quallofil® Allerban® filling provide the perfect hygiene. This thermoregulating fibre is approved by allergy specialist from the French Allergy and Asthma Clinical Research Association and removes 100% of mites living in the filling.
Your choice of : a soft or firm comfort	Soft: memory foam gently envelops your body. Firm: Elivéa® foam guides and supports your body to the perfect position.
Ideal comfort in summer and winter for in-depth recovery	Hemp, a plant fiber, is naturally a good thermal regulator for a feeling of well-being throughout the night. It keeps you warm in winter and cool in summer. Aguasens wadding and viscose-based ticking absorb moisture to keep you comfortable in all circumstances.
Durable comfort	The tufting (entirely done by hand) keeps the materials in the perfect position.
4 horizontal embroidered handles	Easy set up of your mattress.

+ RECOMMENDED BED BASE:

We recommend changing your bed base at the same time as your mattress.
Slatted bed bases firm up the comfort of the mattress, while pocket springs soften it.

Available (on option) in 100% organic GOTS (Global Organic Textile Standard) certified cotton ticking.

This option changes the aesthetics of the product and will slightly tightend the comfort.
