## SPRINGS BED BASE

HEIGHT : **22 CM**

FINISH : **COUTURE**

SUPPORT : **MID-FIRM**

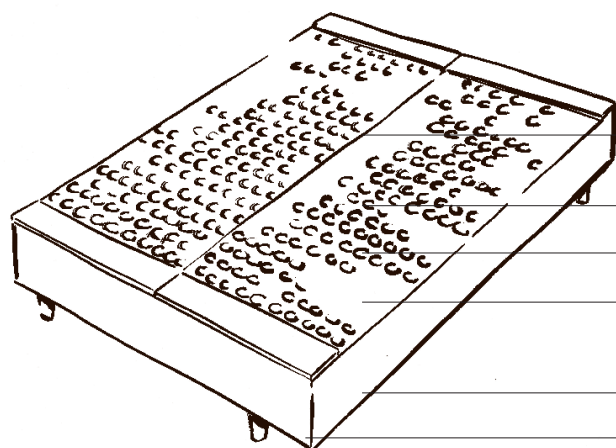

### + THE IDEAL DUO FOR PERFECT SLEEP :

The bed base is an integral part of your bedding. It accounts for a third of your bed's support and comfort. We recommend that you change your bed base at the same time as your mattress, as a very good mattress combined with a worn bed base will deteriorate much faster.

<b>Enhanced mattress comfort</b>	Harmoniously positioned, the pocket springs increase support and comfort from one end of the bed to the other.
<b>Perfect durability</b>	The bed base is made of solid wood, a natural and noble material.
<b>Healthy, stable bedding</b>	Perfect air circulation thanks to mini-springs resting on slats (fixed to crosspieces) and covered by 3D Tript'Air® fabric.

### + FINISHES :

The Springs bed base from the Beautyrest Luxury collection is available in decorative fabric. The Couture finish perfectly matches our No Flip® mattresses.

- 13 wooden slats supporting 884 pocket springs (160×200 cm size)
- Frame in high-quality solid pine wood
- Tript'Air® non-slip fabric
- Quilted and padded tapes
- Backing fabric
- Drilled corner weights for feet with 8mm threaded rod
